## Child Protection

Sarsfields GFC are keen to acknowledge the achievements of the community's youth. To do this the club regularly publishes photographs in the local press or on the club website.

The Club's policy is that all the coaches and mentors dealing with youth teams will have completed the coaching foundation course which includes specific training in child Protection.

The Club will adhere to the following guidelines:

- Photographs will not be used without parental consent
- Photographs and interviews will take place in the presence of a coach
- Only photographs of those participating in authorised club events will be used
- Any departure from these guidelines will be agreed on an individual with the child's parent/guardian

I consent to my child's image appearing on the Sarsfields website [www.sarsfields.gaa.ie](http://www.sarsfields.gaa.ie) or being submitted to local press for the purposes outlined above.

I will inform the club of any changes to any of the information given above or of any change to my decision on use of photographs.

### Highmoss Sarsfields Summer Camp 2012

The Summer Camp for children aged five to fourteen will take place from Tue 31 July to Fri 03 Aug. Children **must** be five or over on the first day of the programme. The cost is £20 per child.

The club would appeal for help in running the summer camp from any club members, parents and helpers with the various teams who can possibly offer their services for even a single day.

The camp has been a fantastic success in recent years and has been very enjoyable for children and helpers alike. This success has been as a result of many people offering their help, so please come forward and contribute to its success.
